UIC Cultural Villages Committee

You are cordially invited to participate in the **2017 Unity in the Community** grand showcase event, to be held **on Saturday**, **August 19, 2017 in Spokane's Riverfront Park**, from 10am till 4pm. **This event is free and open to all.**

The **Cultural Village** area, which is a large part of the event, will be set up in a village setting, with tables/booths around the village square. The idea is to showcase all the various cultures represented in our region, and educate the visitors about your culture and your heritage.

The requirement to participate is simple: Be willing to come and share YOUR CULTURE, be it through displays, art, handicrafts, dance, (folk) costumes.

Two long tables will be provided for you to display items, have an activity or craft project.

Once your participation is confirmed, you will be invited to the various get-togethers to finalize the plans. We are looking forward to welcoming you onboard.
